

Furniture & floors

Intensive furniture care

This wax-containing polish gives your precious furniture an antistatic surface and intensive care. Thus it contributes to the long-term maintenance of your furniture's value.

*For precious wood surfaces!
Intensifies the original colour tone!
Antistatic!*

Wooden floors cleaning & care

Provides for thorough cleaning and gentle care on all oiled, waxed or painted wooden floors and thus maintains the natural beauty of the precious wood. The product can also be used on laminate.

*Easy to apply!
For a thorough cleanliness!
Gentle to the wood!*

Garden furniture cleaner/Terrace cleaner

The ideal products to be used before an application of AURO Garden furniture oil or AURO Terrace oil. Unaesthetic soilings and moss are removed and the wood is perfectly prepared for the following oil application.

*Excellent cleaning power!
Easy dosage!
Very economical!*

Plastics cleaner

Highly effective, gentle cleaner for all things made of plastics like sun-blinds, kitchen or garden furniture, cases of electric appliances and a lot more.

*Apply, wipe dry – ready!
Quick & reliable!
With active formula!*

Cleaning, Care & Maintenance

for furniture & floors, kitchens & bathrooms

Remnants of stickers, stubborn oil or fat stains, mould infestations, lime scale: Special household problems demand special, highly effective solutions. AURO has 25 years of know-how as producer of innovative, eco-logical products for your home.

Now we have combined the high technological standard of AURO products with the valuable experience we have gathered in the field of household cleaners and care products.

The result is an assortment of high-profile, natural cleaning, care, and maintenance products under the AURO brand, a perfect combination of high technical quality and the ecological consistency Auro is known for.

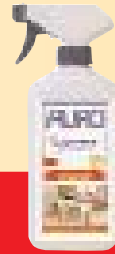

These products are made from pure natural ingredients that meet the requirements of our strict raw material philosophy. All ingredients are compostable and can thus be re-integrated into the natural cycle of materials without doing harm to the environment.

All products are available in 500 ml bottles or tins. The spraying or vaporising devices allow easy dosage and are practical to use. Become acquainted with Auro's philosophy and trust in our long-term experience in the fields of ecological and technical innovation.

Together for a safe future!

Kitchen & bathroom

Express power cleaner

Multiple power for quick and thorough cleaning. Easily removes stubborn dirt, oil and soot stains as well as residues of care agents or wax layers.

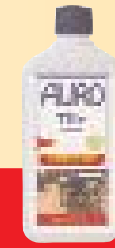

*Active power-cleaning formula!
Thorough cleanness!
Fresh scent!*

Oven cleaner

Even strongest crustations and burnt-in residues are effortlessly removed. Provides for food safe cleanness in ovens, grills, and on hot plates.

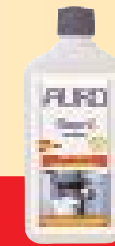

*Food safe cleanness!
Powerful and effective!
Short reaction time!*

Tile cleaner

The natural beauty of tiles and stone surfaces of all kinds is maintained by regular thorough cleaning with Auro Tile cleaner. Especially suited for stubborn, large-scale soilings.

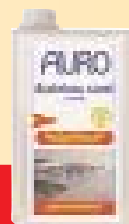

*Powerful cleaning gel!
Quick and thorough cleaning!
For interior and exterior use!*

Rapid descaler

For the highly effective removal of lime scale. The life cycle of coffee machines, electric kettles, immersion heaters or steam irons is considerably prolonged by regular use of Auro's Rapid descaler.

*Highly effective scale solver!
Energy-saving!*

Stainless steel cleaner

For beaming cleanness on all stainless steel surfaces. Even stubborn residues and crustations are gently and effectively removed from sink units, ovens, pots, and everything else made of stainless steel.

*Gentle to surfaces!
High cleaning power!
Radiant brightness!*

Kitchen & bathroom

Worktop oil

Solvent-free, transparent oil for the protection and care of heavily loaded worktops and furniture made of solid wood or wood materials. Surfaces treated with Auro Worktop oil remain respiratory active but become resistant against dirt and water.

*Dirt and water repellent!
Creates "breathing" surfaces!
Maintains the furniture's value!*

Scale & rust remover

Especially stubborn lime scale or incrustations and rust spots are quickly and reliably removed.

*Reliable scale solving power!
Easy application!
Quick and thorough!*

Mould eliminator

Desinfecting, non-caustic active gel for thorough removal of mould fungus and spores from tiles, wood and plastics, interior and exterior. Especially suited for use in rooms exposed to moisture.

*Disinfecting!
Not caustic!
PH-neutral!*

Mould stop

Avoids mould infestations on walls, stone slabs, tiles, wood or plastics. The product can also be used in saunas, boats, or caravans. Where mould infestations are already existent, Auro Mould eliminator should be used first.

*Long-term effect!
Gentle to surfaces!
Unchlorinated!*

Sanitary power cleaner

Creates radiant brightness on all sanitary ceramics. Stains and soap residues are quickly and effectively removed, unpleasant odours are eliminated.

*Spray on, rinse – ready!
Radiant brightness!
With hygiene formula!*
